NIPPLES AREN'T NAUGHTY: Rose made her point in Instagram birthday picture

GQ Man of the Year flashes her boobs!

SHE may be a leading #MeToo agitator but actress Rose McGowan also wants ladies to be able to show off her busters.

And to celebrate her 45th birthday last week, the *Charmed* actress decided to show off half of her birthday suit.

She wore a pair of pleated red pants and white sneakers in the selfie – and absolutely nothing else for the Instagram snap.

Rose wasn't trying to be sexy and provocative, but wanted to point out how showing her nipples should not be considered naughty.

Instagram ban pics of female nipples but not male nipples – something that Rose and her pals in the FreeTheNipple movement want to end.

Earlier in the week, Rose rubbed shoulders with Prince Charles when she was awarded an "inspiration" gong at GQ Man of the Year awards.

Hunt for serial streaker

COPS are hunting an oddball who was seen playing with his bone in front of a startled DOG!

Police are appealing for information about the streaker, who has been spotted running naked from the waist down in woods in East Sussex.

They say extra patrols have been put in place after reports of the man's indecent behaviour in a bid to reassure forest users that they are taking the incident seriously.

Indecent

"Enquiries by officers from both Kent and Sussex have been ongoing since late May," said a police spokesman.

The offences have been reported in woods along the county border near Broadwater Down and Hargate Forest.

Officers say there have been "several" reported incidents.

On one occasion the man committed an indecent act in front of a woman who was out walking her dog.

Police are hoping the efit image shown here may help to identify the suspect they wish to speak to in connection with the incidents.

The man is said to be white with a tanned complexion, 5ft 11ins, and aged between 20 and 40. He is slim, with fair or light brown wavy hair.

One witness described him as having tattoos on his arms.

M-WAY MADNESS: Spot where James was filmed with head buried in his lap

COURT EXCLUSIVE

By BARNEY SAMUELS
news@sundaysport.co.uk

Tom James, 58, was recorded by a passenger in a Transit van which overtook him on the westbound M62 in west Yorkshire.

Magistrates heard that divorced James' head was "buried in his lap" and he was "clearly performing an act of auto-fellatio".

Reckless

His antics were filmed near Stott Hall Farm, where the motorway famously splits in two near Huddersfield.

The court heard that it "would have been impossible" for him to see the carriageway ahead or "to have any proper control of his vehicle".

A police source said the footage was "the most reckless example of motoring I've seen in 20 years on the force".

Defending himself, James said he was "stressed" due to a heavy workload and that it was "completely out of character".

But prosecutors had evidence that James had posted "hundreds" of photos of himself naked and masturbating in his 1991 BMW, proving a "bizarre car-based sexual fixation".

James pleaded guilty to driving without due care and attention, indecent exposure and outraging public decency. Sentence was adjourned for reports.

James was part of the BHS management team in charge of the group's stores in north west England but lost his job when the chain went bump in 2016.

Last week, Lily sensationally revealed she used to hire female escorts for lesbian sex during her Sheezus album tour in 2014.

SUNDAY SPORT EXCLUSIVE

By BECCA STUBBS

becca@sundaysport.co.uk

SHE'S branded herself the most HATED girl in Britain but disgraced soap star Roxanne Pallett has been offered a £75,000 LIFELINE by porn company Television X.

The adult entertainment giants have offered Roxanne the eye-popping sum to star in a no-holds barred, see-it-going-in grumble flick.

Roxanne, 35, has found herself at the centre of a storm after she falsely accused ex-Corrie hunk Ryan Thomas, 34, of 'punching' her in the *Celebrity Big Brother* house.

Since quitting CBB, she's lost her Minster FM radio job, been thrown off the *Cinderella* Christmas pantomime in Chesterfield – and *Emmerdale* bosses have pulled the plug on her ever returning.

Orgy

However, her future could lie in PORN and Television X are the only ones at the moment willing to offer her a second chance.

A spokesman for the station said: "We've always fancied the pants off Roxanne.

"We've spent many a day dreaming of seeing her cute face in the middle of a big ol' orgy.

"When we heard that she's decided to walk away from such a massive £75,000 pay-day (her fee for CBB) we started thinking... now's our chance!

"Now we know she doesn't like pretend fighting, but maybe she'll like pretend loving – by pretend loving we're talking a two-women, three-man orgy with a bukkake finish!

"We're looking at two of our hottest girls to star in the film alongside her – Jess West, 32, and Samantha Bentley, 30.

"With those two, Roxanne won't have to fake it either, she'll be squirting like a good 'un – and that's before we've introduced the three fellas she'll be taking up the chuff.

"If she wants to earn that £75,000 back, then that's what it's gonna take. If she was going to just do a straight boy/girl sex scene and do it all lovey dovey, then that would only get her a paltry £1,000.

"But the British wanking public aren't particularity interested in that.

"We want to see her take every which way for a very long time and get covered in A LOT of that sticky nut-butter and pussy juice.

"If she's feeling nervous, she can take a look at 'Sophie Anderson Pushed to Her Limits' at www.televisionx.com for a bit of inspiration."

COSTLY MISTAKE: Roxanne paid a heavy price for accusing Ryan of 'punching' her *(right)*

Grilled

Roxanne's CBB co-star Ryan playfully 'punched' her in scenes which aired last week – and despite laughing it off at first, she soon accused him of being a 'woman beater'.

OFCOM received a whopping 25,000 complaints about her behaviour and when she heard the crowd chanting 'Get Roxy out' during a live eviction, she later walked from the house.

She's since attempted to apologise on the Jeremy Vine show and was grilled by CBB host Emma Willis in a pre-recorded interview.

At time of going to press last night, Roxanne had not responded to Television X's offer.

JIZZ GUESS WHAT SALLY'S FANS WANT TO DO?

By JAYNE FERGUSON

news@sundaysport.co.uk

PSYCHIC Sally Morgan says she gets X-RATED fan mail – with fellas begging to SPUNK on her TITS.

Sally, 66, made the kinky confession on *Celebrity Big Brother last week* and revealed she also gets sent lots of DICK pics.

She told actress Kirstie Alley that her daughter manages her Facebook page, but one day stumbled across a FILTHY fan message while playing on her mobile phone.

Talking about her Facebook messages, Sally said: "I can't use my phone properly but I found it.

"This guy – he'd left a message.

"It said, 'Hi Sally,' something like 'really love your work'.

"So I'm reading it and then, 'I love you work so much but what I'd really like you do to is get your tits out so I can wank and cum all over your tits'.

"It was like, 'Ahhhh, ahhh!' I immediately rang my daughter and I went, 'Oh my God, look at it!' and she went, 'oh we missed that, sorry mum. You get like 20 or 30 of those a day'."

Kirstie, 67, chimed in and said: "I forgot about the porn ones that come in.

"'I really love you, I want you to have something to remember me by,' and then it's a dick pic."

Celebrity Big Brother housemate Sally then confessed she gets cock photos, too, and added: "Yeah, I get them."

KIRSTIE'S POO HELL

HOLLYWOOD actress Kirstie Alley revealed she once SHAT herself while DRIVING her car.

The 67-year-old *Cheers* beauty admitted she once took too many laxatives and ended up CRAPPING her pants on the drive home.

Telling her housemates the tale on Friday night's show, she said: "I was driving down the street from work. I'd been dieting fiercely, what else is new, by taking a lot of poop pills.

"All of a sudden I'm like 'Oh my God, I have to poop. Oh my God, I've got to get home!'

"I was about 10 minutes from home.

Nappy

"I'm driving, I'm sweating. I was desperate. So I looked and reached into the nappy bag and I grabbed a nappy and I shoved one in the front, one down the back and I pooped my pants."

Once she'd recalled the tale, she held her head in her hands and repeated: "Oh my God!" while the other *CBB* housemates laughed it off.

The rest of the house were left shell-shocked by Kirstie's shitty explosion story, while Sally Morgan quipped: "At least you had nappies!"

Kirstie's weight journey has been well documented in the press.

THE VOICE OF YOUR BRITAIN

Freedom is bust brilliant!

IT was a date which will live in the hearts of every freedom-loving person.

On that chilly day, while billions watched worldwide, the Berlin Wall – the concrete symbol of Communist tyranny – fell.

Eastern Europe, which had been under the jackboot of fascistic socialism since the end of Hitler's war, breathed the fresh air of liberty.

A million opportunities opened up for the once-enslaved peoples of central Europe.

And just one of those opportunities was the freedom for Czech barmaids to have their busters felt up for cash by boozy British stag-weekend revellers!

The former Bohemian capital of Prague became a favourite for beer-soaked weekends soon after eastern Europe threw off her shackles.

And the women of that fair city found that western men were more than happy to hand over hard, western currency for a feel of their pert, fresh busters.

Today's Sunday Sport tells the story of a gang of Brit lads who made a video diary, recording the willingness of Czech barmaids to show off their magnificent mammaries – and allow the blokes to have a feel – for a few euros.

This is why the people of Berlin took pickaxes to that hated Wall.

This, dear reader, is what liberty is made of.

Roxanne would be a wow on Television X

WHEN one door closes, another swings alluringly open.

Miss Roxanne Pallett appears to have pissed all over her showbiz chips with her bizarre and troubling behaviour on Celebrity Big Brother.

This attractive young woman could well face ruin.

But the good people at Television X have thrown her a lucrative lifeline with the offer of a glittering career in adult entertainment.

Many people wrote off Roxanne thanks to her baseless accusations against poor Ryan Thomas.

But her strange behaviour has opened the door to a whole new world of DP, facials, lesbian strap-on action and even cum-farting.

Opportunity has come knocking for this young woman.

Stormy's vice squad probed over bad cops

THE vice squad who nicked porn movie star Stormy Daniels has been put on ice over allegations of "bad cops" in the unit.

Daniels was initially arrested in Columbus, Ohio, for violating the state's no-touch policy at a strip club in the city, but charges were later dropped.

Daniels (*above*) is in a legal battle with US President Donald Trump over a nondisclosure agreement she signed before the 2016 election regarding an affair she claims they had years ago.

It's not clear if the investigation will look into whether "undue political interference" was involved in the 39-year-old porn babe's arrest.

Columbus Police Chief Kim Jacobs said that she wants a comprehensive review of the unit – involved in a fatal shooting by an undercover officer in August – that nicked Daniels in July.

Trump murder plot gun nut

A DRUNK said he planned to "kill president Trump" after police pulled over his car and found six guns and ammunition inside.

Cops stopped the vehicle driven by Yank William Scott Wheeler, 56, as the headlights were covered up.

An officer found a shotgun, two pistols, a revolver, two long guns and rounds in the back of the truck.

When asked why he needed the weapons, Wheeler said that he suspected the Secret Service was after him as he had supposedly sent "messages through his mind" to the White House, and he said the blanket on his headlights was to "stop satellites tracking him".

Wheeler was charged with possession of a firearm and ammunition by a restricted person and faces up to 10 years' jail.

DONER MENTION THE WAR!

SUNDAY Sport EXCLUSIVE

By SIMON DEAN

HUNGRY Mike Collins had a REICH nasty shock when he went to get a kebab after a night on the sauce – ADOLF HITLER was working there!

Mike, 42, said: "At first I wasn't sure if I was seeing things because, to be quite honest, I'd had a skinful as I was celebrating a win on the scratchcards.

"So I took a photo on my phone and the next morning, when I'd sobered up a bit, I had another look and there he was. Hitler. Carving the doner meat and putting seekh kebabs on the grill."

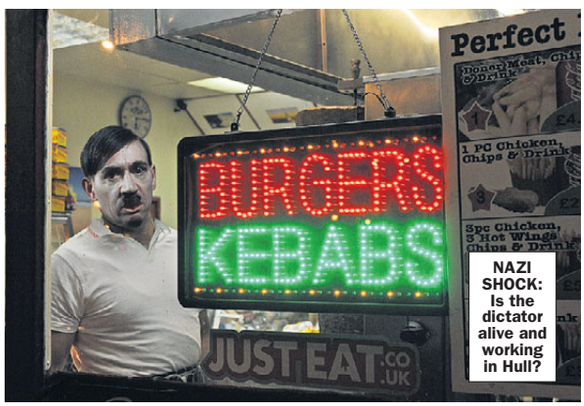
Needless to say, Mike did not purchase his meaty treat from that particular shop and stumbled off into the night to find an alternative outlet.

Blood

He said: "I can pretty much accept that many people who work in some kebab shops don't wash their hands after going to the toilet.

"But having my kebab carved by a man with the blood of millions on his hands? No thank you!"

Sunday Sport visited Mr Ali Very Good Tasty Kebab in Hull to try to track down the one-time dictator, who has apparently turned from carving up the geopolitical map of Europe to carving slices of dull-grey meat.



NAZI SHOCK: Is the dictator alive and working in Hull?

A man who identified himself as the owner, but refused to give his name, seemed confused about our visit, became agitated and ordered us off the premises.

He said: "He no Hitler, he good worker, he my cousin. Good teeth, he piss like horse."

A dossier of our investigation has now been passed to the International War Crimes Tribunal in The Hague.

Adolf Hitler was an Austrian-born statesman who ruled Germany between 1933 and 1945.

His more-controversial foreign policy decisions have frequently been blamed for the outbreak of the Second World War and he is often mentioned in interviews by former London Mayor Ken Livingstone.

Teen ballet star sues ex for pics that are tutu rude

THE genteel world of ballet dancing has been ROCKED by claims a former principal dancer shared snaps of a 19-year-old ballerina WITHOUT her tutu!

Alexandra Waterbury alleges that Chase Finlay, who resigned last month, shared explicit photos and videos of her with other dancers, without her consent.

She is suing the New York City Ballet, claiming the "fraternity culture" allowed male dancers to exploit women there.

The New York City Ballet has denied the allegations, and a lawyer for Mr Finlay said the complaint consisted of allegations, not facts.

Ms Waterbury, who dated Mr Finlay for a year, says he took photos and vids of her without her knowledge while they were in a relationship, according to the lawsuit, filed in Manhattan.

According to the lawsuit, Mr Finlay shared this content with two other principal dancers – Amar Ramasar and Zachary Catazaro.

The lawsuit also alleges that Mr Finlay spoke to a donor of the ballet company about violating female dancers.

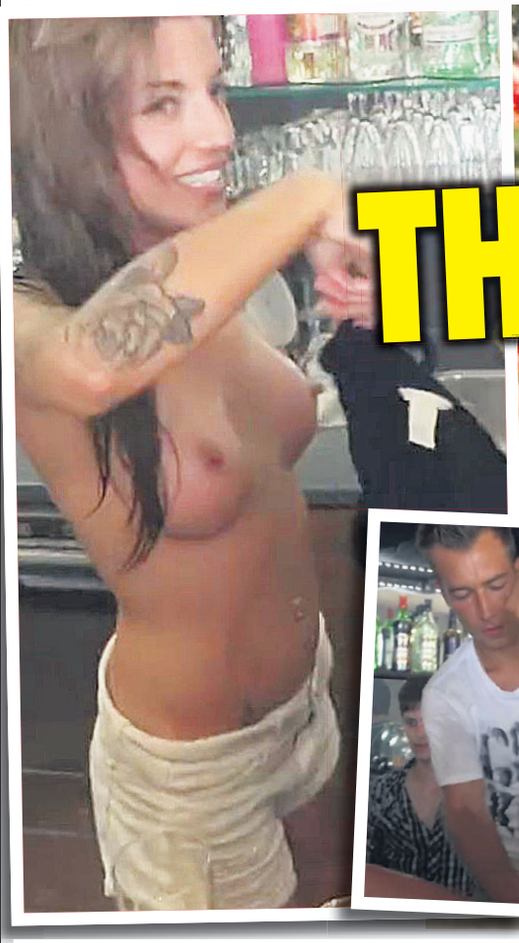
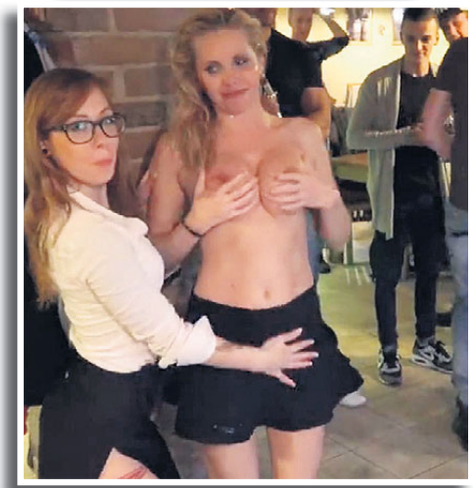
Brit stag party lads pay barmaids to go TOPLESS



THRILLS, SPILLS AND PILS: One babe let punters lick beer off her



By SIMON DEAN
simon@sundaysport.co.uk

WHEN Mike Harrison was asked to be best man for pal Ian Jones, he knew EXACTLY where to head for the stag weekend...

Prague!

The Czech capital is a fave destination for boozy Brits heading for a wild city break and each weekend is packed with hen and stag parties.

Mike, 24, from Bolton, Gtr Manchester, said: "I promised Ian's now-wife that we'd behave ourselves and, hand on heart, I can say that Ian did.

"But the rest of us really let our hair down!"

Unforgettable

And Mike made sure the trip was unforgettable – he made a video diary of the jaunt.

He explained: "I'd been told that the barmaids in some bars will show their boobs for a few euros.

"I thought it was just an urban myth.

"But we got out there and found it was true!

"We tried it at every bar we want to and the barmaids agreed in about 40% of them.

"It was wild and I videoed the lot!

"Some of the girls even let us have a feel of their boobs, too!

"And one poured a foamy pint of pils over her busters and let us lick it off."

Ian's new wife Ellen told *Sunday Sport*: "If I find out my Ian had anything to do with this, I'll cut his f**king balls off."

Brothel king quizzed over 'sex attack'

AUTHORITIES are investigating the world's most famous pimp over allegations of sexual assault.

The Department of Public Safety, in Nevada, said it was investigating Dennis Hof over a request from the sheriff's office in northern Nevada's Carson City, where Hof owns several legal brothels.

Carson City Sheriff Ken Furlong said that his office responded after a woman at a hospital made a complaint that Hof had sexually assaulted her.

He declined to say whether the woman worked for Hof at one of his brothels.

Hof, who is running as a Republican this year for a state Assembly seat, said in a statement that he is cooperating with the investigation but denies any wrongdoing.

Hof's campaign said in a statement: "While he has his suspicions, at this time Mr. Hof does not know exactly what the allegations are, who made them or when the alleged incident supposedly took place."

Paul: How Playboy Nikki made me shoot my Holly-OATS!

By BECCA STUBBS
becca@sundaysport.co.uk

FORMER *Hollyoaks* star Paul Danan says that busty *Playboy* pin-up Nikki Ziering gave him a two-minute BLOWJOB on *Celebrity Love Island*.

Paul, 40, and Nikki, 45, appeared on the luxury island in 2005 and the ex-soap star made the saucy confession on Jamie East's *Reality Check* podcast.

Talking about their quick fumble in the loos, former *Hollyoaks* hunk Paul gushed over the two minutes he spent with his member in the model's mouth.

He said: "Nikki Ziering... the Playboy model comes in and overtakes everything... 2 minutes 58 blowjob!

"They put the little time counter at the top of the screen. We went in the toilets, and then we were out...but a minute of it was spent taking off our microphones!"

MODEL: Nikki and (*below*) the pair on reality TV show

Champagne

During his time on *Celebrity Love Island*, Paul became known for his volatile behaviour as he fought and rowed with his competitors.

He was also seen trying to woo socialite Lady Isabella Hervey by inviting her into his bed after a champagne fuelled night.

But the star had to be sensationally removed from the villa by security guards after he kicked off when EVERYBODY refused to share a bed with him.

Paul, who once expressed frustration at always being described as "former *Hollyoaks* star Paul Danan" recently said he'd like to return to the C4 soap.

Nonce star cut from new Predator flick

FILM giant 20th Century Fox had to make a quick change to the final cut of Shane Black's *The Predator* after it was revealed a NONCE played a small role in the flick.

Steven Wilder Striegel pleaded guilty to risk of injury to a child and enticing a minor by computer, in 2010.

Striegel served six months in jail and was placed on the Sex Offender's Register.

An old friend of Black's, his first job out of jail was a small role in *Iron Man 3*, followed by an appearance in Black's *The Nice Guys*.

A spokesperson from Fox said the studio was unaware of the actor's history, due to legal limitations that impede studios from running background checks.

It wasn't until actor Olivia Munn (*above*) found out and blew the whistle to Fox that Striegel's scenes were cut.

Munn said in a statement that she found it "both surprising and unsettling that Shane Black, our director, did not share this information with the cast of the film, its crew, or Fox Studios."

SEXY Ava Lewis says she loves a good night out on the tiles – and NEVER wears underwear under her tight dresses.

The busty 23-year-old said: "I love the idea that I might accidentally give a flash of my shaven pussy to some random bloke.

"And, of course, as the night progresses, I love being fingered on the dancefloor."

Unfortunately, because of stuffy publishing laws, we're not allowed to show Ava's private parts in *Sunday Sport* – but we can show her delightful 30FF boobs.

The model said: "*Sunday Sport* flew me all the way to LA for this photo shoot.

"It was hard work, but what a thrill!

Suspension for teacher in animal death quiz

A HIGH school teacher has been suspended after she gave a quiz on ethical dilemmas that included questions about stabbing a rabbit, twatting puppies with rocks and INCEST!

Officials at Hilliard City Schools, Columbus, Ohio, said the test should never have taken place and that they share the outrage of parents and community members.

The online test asked students to rank certain situations on a sliding scale, from "OK" to "not OK".

It included scenarios such as "a man kills a baby rabbit with a knife" on live TV.

Another one said: "A brother and a sister decide they want to sleep with each other, just once, to see what it would be like."

Another question asked: "Sarah's dog has four puppies. She can only find a home for two of them, so she kills the other two with a stone to the head."

The school found out after a concerned parent wrote about it on Facebook.

One parent said: "We sent our kids to school for decent, God-fearing book-learning – not to be asked questions about whether it's OK for a brother to lie with his sister!"

Miss probed over her own porn site

A PRIMARY school Miss is under investigation after being caught running – and featuring in – her own PORN site.

Linda Janack (*above*) is being probed for the website which caters for teacher fetishes and features her playing with her MINGE.

But while parents in Van Buren Township, Michigan, are furious, education bosses are unsure whether she has done anything wrong by running the site – called *Hot For Teachers* – with her hubby, Scott.

One parent whose child goes to Edgemont Elementary School, where Mrs Janack teaches, said: "That's not something you should be doing when you're in the profession of being around children."

Kim Woodburn fans target Loose Women 'bully' with fake photo

BUST-UP: Fake snap of Coleen (*left*) and the row on TV (*right*)

IF you thought the spat between Kim Woodburn and Coleen Nolan was dirty – just look at what's happened NOW!

Cyber-supporters of *How Clean Is Your House* star Kim are thought to be behind a FAKE topless snap of 53-year-old former Nolan singer Coleen that's circulating the net.

And backers of the Irish songstress are LIVID!

Britain was split last week between supporters of *Loose Women* host Coleen Nolan and Kim.

By SIMON DEAN

Kim was invited onto *Loose Women* to try and settle a feud that has raged between her and Coleen since they both appeared on *Celeb Big Brother* on C5.

But the mediation did not go well and ended with Kim storming off set in tears, accusing Coleen of "bullying".

The fake snap is the latest shot fired in a war of words raging between rival camps.

One Coleen supporter told *Sunday Sport*: "This is an outrage! Whoever has done this needs to be exposed and brought to justice."

Meanwhile, *Loose Women* producers fear the row may turn into violence in the streets.

An insider said: "Emotions are running high and the merest spark could lead to rival Coleen and Kim fans fighting openly.

Priests caught bumming in VW Beetle

TWO Catholic priests were nicked after being caught BUMMING in a parked rental car.

Diego Berrio, 39, and Edwin Cortez, 30, were charged with lewd and lascivious behaviour after passersby spotted their tryst in broad daylight inside a Volkswagen Beetle, which was "in full view of the public," near Miami Beach, Florida.

After receiving a complaint, cops arrived at the scene to see "the sexual acts still going on".

Officers were easily able to spot the two men, as the car was parked next to a playground and did not have tinted windows.

The two priests were so engaged that they didn't notice police were there until officers tapped on the window.

It has not been revealed if the priests were wearing their priestly vestments when they were caught.

Actions

Berrio and Cortez are both from Arlington Heights, Illinois, a suburb of Chicago.

Berrio is a priest at Mission of San Juan Diego, while Cortez served at St. Aloysius Parish in Chicago.

Both were removed from the ministry and their actions have been reported to the Pope.

A spokeswoman for the Archdiocese of Chicago said: "It is our responsibility to ensure those who serve our people are fit for ministry. We take this matter very seriously."

Berrio has been released, but Cortez remains in custody.

Sex club snub in holy city

A BID to open a kinky SEX CLUB on the outskirts of Britain's holiest city has hit a snag, after planning officers refused the application.

But the man behind the plans says the X-rated venture is not dead in the water and still believes Lakesview Business Park, in Canterbury, Kent, is the ideal spot for a bondage dungeon.

Despite the refusal – which planning officers blamed partly on a lack of parking – applicant Jack Brabham is adamant he will appeal the decision.

He said: "The refusal is unfair. It should have gone to committee as it had a huge amount of support.

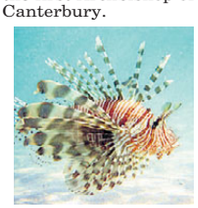
"I'll definitely be appealing, it shouldn't have been dealt with by officers."

But the city council's head of planning, Simon Thomas, said the decision-making process was done by the book.

He added: "Officers are entitled to refuse applications when they judge that they do not comply with our policies."

Canterbury has been a place of holiness since 597, when Pope Gregory the Great sent St Augustine to convert local King Æthelberht to Christianity.

St Augustine became the first Archbishop of Canterbury.



Killer fish in UK waters!

DEADLY lion fish – that can kill humans with one prod of their spines – have been spotted off the coast of LLANDUDNO, a diving boffin has warned.

Scuba expert Nigel Hopkins-Wilson said: "I was diving off Llandudno, North Wales, and saw one as clear as day. It was right in front of me. No doubt about it. Deaths next summer will be in the thousands!"

The fish – also known as Pterois – contain a venom that can cause extreme pain, nausea, vomiting, fever, breathing difficulties, convulsions, dizziness, redness on the affected area, headache, numbness, heartburn, diarrhoea, sweating and – ultimately – death.

Originally from the South Seas, experts believe the fish may have been swept to the Irish sea by the Gulf Stream current.

HERE'S another great reason to go and see *Final Score* – the biggest blockbuster of 2018.

Stunning model and actress Stella Paris appears in the flick – but sadly keeps her kit on.

Sunday Sport readers, though, can today get a sneak peek at her FABULOUS boobs.

Stella made her acting debut in the Hollywood-based TV series, *A Place Among the Undead*.

The blonde babe's ambition for the immediate future is to gain further roles in television series and to increase her movie portfolio.

And the kind-hearted stunna will carry on her charitable work.

Final Score is Dave Bautista's latest movie – an action-packed rollercoaster ride of thrills, eye-popping special effects and stunts set in a football stadium during a big match.

The former wrestler starred most recently in *Guardians of the Galaxy* and *Avengers: Infinity War* and is the natural successor to action heroes like 'The Rock' Dwayne Johnson and Jason Statham.

The movie was filmed entirely at West Ham's former Boleyn Ground home before the club moved to the London Stadium in Stratford, east London.

The fictional match taking place is a European tie between the home side and Russian outfit Dynamo.

While it's being played, a bunch of Russian terrorists, led by ex-Bond star Pierce Brosnan, swoop in and hold the 35,000 crowd hostage.

It's down to Dave Bautista's army vet character to save the day and foil the gang.

And he has a personal reason to succeed – one of those in the crowd is the daughter of a soldier pal of his.

Final Score went on general release in cinemas and on Sky Premiere on Friday.

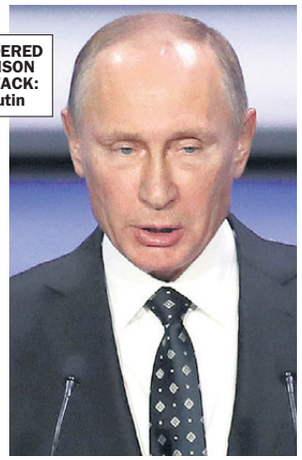
IS YOUR NEIGHBOUR A RUSSIAN SPY?

Sunday Sport EXCLUSIVE



ORDERED POISON ATTACK: Putin

By BRAD CHADWICK news@sundaysport.co.uk

ONE thing is clear after the Salisbury Novichok attack – Russian spies are EVERYWHERE!

Theresa May told the Commons on Wednesday that two officers from Russia's GRU military intelligence agency had entered the UK on Russian passports, using the names Alexander Petrov and Ruslan Boshirov.

Ex-Russian spy Sergei Skripal, 66, and his daughter Yulia, 33, were then poisoned by the sinister pair on the orders of President Vladimir Putin.

Antics

But this pair of assassins are just the tip of a vast Russian espionage iceberg.

Putin's spies – helped by a network of well-placed British TRAITORS – are everywhere and their antics will become ever more bold as Britain and Russia slide inevitably to war.

Russia's spies MUST be rooted out.

That's why *Sunday Sport* today publishes a cut-out-and-keep guide:

How to spot if your neighbour is a Russian spy:

SHIFTINESS

WHILE the average Russian is as dumb as cheese, he possesses a low, rat-like cunning that makes him a dangerous adversary.

Look out for beady eyes darting this way and that, furtive scurrying, whispering and sly grins.

Many Russians sport beards, which they will often stroke in a sinister fashion when plotting their next outrage or cruelty.

SURLINESS

THE British gentleman would never pass his neighbour without uttering a cheery "hullo"!

The Russian, however, can see no profit in cheery exchange of pleasantries.

Say 'good morning' to your neighbour. If they do not react cheerily or simply respond with a low grunt, you may draw but one conclusion: Russian spy.

FOULING

MOST Russians these days have an indoor toilet, but these are mainly mere decoration.

For, like a beast of the field, the Russian prefers to make soil where he stands, regardless of occasion or company.

That sudden waft of human filth is a sure sign you are in the presence of a Russian.

DRUNKENNESS

ROBBED of his god for 70 years by cruel communist masters, Russians turned to hard liquor.

As a result, the entire nation is drunk beyond all imagining.

If your neighbour comes reeling home, night after night, the evidence is clear – he is a Russian spy.

CRUELTY

DESCENDING, to a man, from Genghis Khan, the Russian is an unfeeling brute whose heart is as cold as the Siberian winter.

Show an Englishman a puppy and he will pet it, or teach it to hunt the fox.

Show a Russian a puppy and he will stamp on it with his sturdy boots.

Man denies daytime garden w*nk

A MAN was arrested after he was caught furiously masturbating outside a house during the day.

Police in Natick, Massachusetts, were called to a report that a fella with no pants on was standing in the yard "committing a lewd act".

Two women who live nearby said they first saw the bloke standing beside a tree, that he had no clothing covering his genitals or buttocks, and he could be seen engaging in the lewd act.

Police detained Steven J. Arango, 46, a short time later as he walked nearby.

Arango was charged with one count each of open and gross lewdness and disorderly conduct.

A not guilty plea was entered in Framingham District Court.

Four pupils cleared of group attack on teacher

FOUR pupils accused of drugging and raping a female athletics teacher have been cleared after prosecutors found SHE had asked for the GANG BANG!

The teacher – who cannot be named for legal reasons – said she had been spiked with a date-rape drug and the quartet of football players had then taken turns with her.

But question marks started to emerge about the 23-year-old teacher's story when toxicology reports showed no traces of a date-rape drug.

Then witnesses came forward to claim the teacher had a history of shagging male students.

The four former Spruce Creek High School football players have been cleared by police in New Smyrna Beach, Florida, for lack of evidence, three months after the original accusations against them.

Now the accuser is under investigation.

Parents of at least one of the former players urged police to charge the teacher with contributing to the delinquency of minors for serving alcohol to the players at her home.

Prosecutors are now reviewing that case.

AS KEELEY HAWES REACHES INTO HER

FINGER FLICKIN'

KITTY LEA, 27, 30DD, FROM LINCOLN

'I felt hot & frustrated and couldn't wait any longer...'

"WHEN I saw Keeley fingering herself in *The Bodyguard* I thought, 'Go on girl' – I can't help but have a cheeky play with myself either.

"There's nothing better than a night in on my own – I'm certainly never bored!

And as soon as I'm lying back on the bedsheets, my fingers get to work.

"My nipples get hard and I start to think really naughty thoughts before working my way down there and plunging my fingers into myself while rubbing my clit.

"For me, there's no need for sex toys or anything like that – if you know what you're doing to yourself, there's no better feeling.

"Plus, it's easy to get off wherever you are – whether it's in the loos at work or on a train on the way home... it's easy to give yourself a quick flick.

Horny

"One train journey I had last month was amazing. I'd been feeling really horny all day and couldn't wait to get home.

"The train was packed but luckily I nabbed a seat. The man next to me was fast asleep and everyone standing up was on their mobile phones.

"I felt really hot and frustrated and couldn't wait any longer.

"Before long I'd loosened my skirt and my fingers were working a treat on my fanny.

"I had to bite the collar of my coat to stop myself screaming in pleasure when I made myself climax and it's safe to say there was definitely a wet patch left on the seat when I stood up to get off!

"As I left the train a really fit guy, sat on the row opposite, gave me a wink – so I'm sure he must've seen something!

"If he did, he'll have no doubt been wanking himself silly when he got home – nothing gets men more excited than when a woman fingers herself.

"It's my secret trick and, whenever I want my fella to give me a real seeing-to, I always put on a playful show first.

"I slowly step out of my knickers and spread my legs wide as I get to work, lubing myself up and thrusting my fingers in and out of my wet pussy.

"Even before I've put one finger inside, he'll have a trouser tent and he simply can't take his eyes off what I'm doing.

"And by the time I've orgasmed, the poor fella's hard as a rock – and he's practically begging to replace my fingers with his stiff cock!"

R KNICKERS ON BBC'S BODYGUARD...

GOOD!

JUST when you think that Keeley Hawes can't get any sexier, she only goes and FINGERS herself on BBC1!

The 42-year-old stunna is currently riding high in the top-rated BBC drama series *Bodyguard*, in which she plays Home Secretary Julia Montague.

Keeley's character is embroiled an affair with her close protection officer David Budd, played by *Game of Thrones* hunk Richard Madden.

By SIMON DEAN

And after an attempt on the Home Secretary's life, the pair are billeted in adjoining rooms in a London hotel.

With quite predictable results.

In one scene, as Keeley's character tries to entice Sgt Budd to shag her in the minge, Keeley slips her hands into her kecks and gently strums the strings of her hairy banjo.

The scene led to a 31 per cent spike in calls to the NHS 111 helpline as millions of randy fellas came close to ripping the end clean off.

Human behaviouralist Dr Gaspar Felicidad, of the University of West Lancashire, said: "Observing this sort of self arousal consistently scores highly in eroticism surveys.

"In layman's terms, blokes love watching birds finger themselves and that."

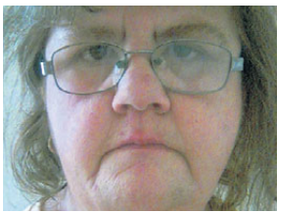
Mum flashed boobs to lad, 15, during web chat

JAILED: Karen Robb



A DIRTY mum who flashed her boobs online to a 15-year-old lad has been locked up.

Karen Robb, 43, sent explicit messages to the schoolboy and flashed her breasts at him on a video web chat between December 2016 and August 2017.

She claimed she and the boy had "fallen in love" after they met up and planned to "hold hands" in public and do 'naughty things'.

The mum-of-one, of Blackpool, Lancs, had no direct sexual contact with the teenager but was jailed for 16 months.

By COLIN HURST
news@sundaysport.co.uk

She admitted one count of meeting a child after sexual grooming and one of engaging in sexual communication with a child.

The affair started when the boy added her on social media, and ended when his mum saw messages on his mobile phone.

Unfaithful

Robb's husband also suspected something was going on that she was being unfaithful.

Jailing her and subjecting her to a 10-year restraining and sexual harm prevention order, judge Heather Lloyd told her: "There is no reason to treat a female sexual offender and a male one in any different way.

"I am not satisfied that it is appropriate to suspend your sentence in this case."

Earlier the court heard Robb, who is unemployed, exchanged many Facebook messages with the victim between Christmas 2016 and August last year.

Prosecutor Francis McEntee said: "Their chat got explicit when she said that he loved his private parts.

"Robb appeared on an online video service to the victim and was naked on a bed touching her breasts.

"She asked him to expose his private parts to her.

"There is a discussion about meeting and there is a naive expression presented by the victim when he says, 'I would like to hold hands with you'."

Dad told me his secret... he was a brutal, deadly gangster

WHAT LIFE WAS LIKE GROWING UP WITH A REAL EAST END CRIMINAL FOR A FATHER

DEEPLY INVOLVED: Danny pictured with son Ryan as a boy

By REX ROWLANDS news@sundaysport.co.uk

AS a kid, Ryan Simms knew his father was a criminal – he had no choice, his dad spent much of his life in and out of prison.

But it was only as he got older that Ryan realised just how deeply involved his old man was with life on the wrong side of the law.

Shockingly, he was to learn that his dad was in fact a MASS KILLER.

Now Ryan has written, and is starring in, a play about his father – Danny 'Skinny Danny' O'Halloran – a proper East End villain who plied his trade during the time of The Krays in a brutal world of crime and violence.

In the play – *Prairie Flower* – Ryan stars as his dad and recounts the terrifying tales he heard while growing up.

And as a taster, Ryan has agreed to reveal some of the more shocking secrets to *Sunday Sport*.

He said: "When I was really young, Dad would hide what he was.

"I remember going to visit him for the first time inside.

"It's one of my earliest memories. He said to me, 'See that wall over there,' pointing at the prison wall, 'We're all in here building that'.

"Later, my mum would say he'd go away for work. But when I was older Dad sat me down and told me what he was all about.

"I still wasn't clear how much of a big name he was until I got older.

"Then I started going to pubs. I would walk in and people would be saying, 'Get that boy a drink'. And tell me my dad was ' a proper man'.

VILLAIN: Danny with pals at the Celebrity Club in London

Manners

"They treated me like a prince because they wanted to get on my dad's good side.

"They didn't mean any of it. They just didn't want a bullet in the head.

"They knew he was a villain and didn't want to upset him."

But Skinny Danny had no truck with arse lickers. He was an old-fashioned gentleman who thought you should be nice to everyone – unless they crossed you.

Ryan added: "Dad always drummed it into me, 'Manners don't cost a thing, boy'. He wasn't interested in showing off or being a big man.

"He was nice and polite to everyone. He was a gent.

"The whole point of being a criminal like him was to stay hidden.

"He was around at the same time as The Krays but he believed that being so public and famous as them was just crazy.

"He was trying to provide for his family the best way he knew how. And that meant being a villain who wasn't on the police radar."

But despite all the violence and killings, Ryan's dad was no indiscriminate thug.

He followed a strict code that he would never, ever break – even if that meant spending time in jail.

Ryan revealed: "When my dad stole money he wasn't stealing from people in the street.

"He was a bank robber. He didn't hurt the little man.

"When he knocked off a bank he'd say, 'Everyone still gets their wages. There's no-one getting hurt'. That was the code he lived by. He called people who weren't in the life 'straightgoers' and they were totally safe.

"The code meant they were left alone. He would never hurt or kill a straightgoer.

"But the code had a dark side, too.

"Dad put it before everything – including his family.

"Because it meant that no matter what, you never grassed on anyone. So if he ended up getting arrested and questioned he'd rather die than grass on someone.

"That was why he spent more than half the time I was growing up in prison. He had to stand by the code.

"He ended up with 14 convictions, including armed robbery, but he never said a word.

"Going to jail was just part of the job.

Murder

"It wasn't easy. The family would go from him earning Premier League wages to nothing.

"Other villains would help us out but it was pretty hard.

"The code also meant that when someone broke it and did grass they had to be dealt with.

"Dad killed people. But to him, murder was a necessity.

"He didn't kill because he was evil – he did it for a reason.

"In his head, every time he killed, it was for a good reason.

"When I was in my early 20s I asked him, 'How many have you done, Dad?

"He held up his hand and the thumb on his other hand. Six.'

"'It's only the first that's the hard one,' he said. 'After that it becomes easier'.

"He said it didn't bother him but I think it was in his head. He had no choice though.

"The way he saw it, he had to kill.

"Killing a grass was self-defence. It was him or them.

"The grass had broken the code and was threatening the people he'd worked for."

But despite spending his whole life as a criminal, Skinny Danny was determined his kids would not follow him into the crime game.

Straight

Ryan said: "He was a dad first, villain after, and he knew it was no life for us to follow.

"He made sure we stayed in school and got straight jobs."

But after years of being miserable doing office jobs and when his dad died in 2005 he decided on a complete change of direction – and signed up for acting school.

It was while he was there Ryan decided to write a play about his father's life.

Prof held over wife in case

A UNI professor has been nicked on suspicion of killing his wife after police found her decomposing body stuffed in a SUITCASE in his office.

Cops discovered the body of a woman, in her underwear and with electric wire around her neck, hidden in a suitcase inside a big wooden box in Cheung Kie-chung's office in Hong Kong.

The professor (*above*) from the University of Hong Kong's Department of Mechanical Engineering had reported his wife missing in August – claiming she had not returned home after an argument.

Police got suspicious of Cheung, 53, after CCTV failed to show his wife leaving their home, while Cheung was also seen moving a large wooden box out of the premises.

"There was blood seeping out from the suitcase and it stank," superintendent Law Kwok-hoi said.

He added that the victim might have been strangled, but the identity and the cause of death still needed to be confirmed by a post-mortem exam.

He added that Cheung told officers he had a dispute with his wife on the night she disappeared over the "toilet hygiene of their elder daughter".

KANNY LAD: Hip hop star loves grot

SQUIRTER: Abella Danger

POPULAR: Riley Reid

By GRACE HOOPER
news@sundaysport.co.uk

HIS missus Kim Kardashian is the star of the world's most famous sex tape – so it's no surprise that Kayne West is a big fan of PORN.

Last week he took centre stage as creative director of the Pornhub Awards – which are a bit like Britain's very own Shafta awards.

The glum-faced rapper confessed that he is the adult website's biggest fan, which led Pornhub to ask him to direct one of their X-rated movies and get involved with the business.

On Friday, a range of NSFW sweatshirts launched on the star's Yeezy Supply website, celebrating winners of the Pornhub Awards with some rather graphic drawings and slogans.

Squirting

The jumpers cost £57, and feature paintings of Riley Reid – 'most popular female performer', Mia Malkova – 'hottest female ass', Abella Danger – 'splash zone top squirting performer', Kendra Sunderland – winner of 'nicest tits', and Lena Paul – the 'top big tits performer'.

While Lena's jumper sees the adult performer in a dress, sprawled across a piano, other drawings are WAY more graphic.

Kanye, 41, surprised attendees of the Pornhub Awards in LA when he directed an on-stage fashion show.

While some of the performers wore gowns from his collection, others went TOPLESS, while some wore see-through dresses revealing their busters and fannies.

SPUNKY-FACE MISS GETS 8 YEARS

By BRAD CHADWICK
news@sundaysport.co.uk

A RANDY teacher who rubbed a teen pupil's hot SPUNK into her pretty face after giving him a slippery BLOWJOB in a car has been sentenced to eight years in jail.

Michelle Schiffer, 24, broke down in tears after her punishment was announced by Judge Robert Johnson.

She was then led, trembling, out of the courtroom in handcuffs.

The court had heard that Schiffer, a former teacher at Cypress Springs High School in Cypress, Texas, smoked cannabis with the lad, 15, while driving him around in her car.

Oral

The pair then parked up while the teacher performed oral sex on the teenager, made him ejaculate in her face, then "smeared the semen round her face – like a porn star".

They later had full and even kinky ANAL sex, according to the lad, who squealed to cops after his parents found X-rated photos from Schiffer on his mobile phone.

Because Schiffer was convicted of the charge of improper relationship with a child, and not sexual assault, she will not have to register as a sex offender.

Her defence attorney Grant Scheiner had argued that probation was the appropriate punishment during a hearing before the judge last month.

"She has a scarlet letter that's going to last the rest of her life," Scheiner said.

Parole

"And that is part of the punishment."

It is unclear when prison officials could release her on parole.

Schiffer was facing the possibility of 20 years in prison after pleading guilty in May to one charge of improper relationship with a student.

During a hearing last month, her friends and family said Schiffer suffers from depression and had stopped taking her medication when she met up with the teen to have sex and smoke marijuana.

Prosecutors also said she was texting other students and sending them topless photos.

10 things you might not know about KEELEY HAWES

BRITISH actress Keeley Hawes is the star everyone's talking about thanks to her role in brand new BBC drama *Bodyguard*.

Starring alongside Richard Madden, 32, in the political thriller, 32-year-old Keeley plays Home Secretary Julia Montague in the tense drama.

***Bodyguard* is on BBC One at 9pm tonight, but here's 10 things you might not know about the show's leading lady...**

1 KEELEY isn't her real name, she was born Clare Julia Hawes. But Keeley has stuck with her throughout her acting career.

2 **SHE made a cameo appearance in Pulp's Common People music video in 1995.**

3 WHEN she was younger, she lived with Spice Girl Emma Bunton in Marylebone, London, for six months and they had caravan holidays together.

4 **HER dad and her two older brothers are all London taxi drivers.**

5 KEELEY says there should be sex scenes in EVERY tv show. She once said: "Seeing a bit of rumpy pumpy is always fun in a TV drama – it's just part of life and should be in every good show."

6 **HER big break came when she was spotted on Oxford Street in London by a modelling agent when she was just 16. But she said: "I really was the worst model of all time because my arse was too fat and I couldn't be bothered to go on diets and things."**

7 SHE voiced Lara Croft in the Tomb Raider video game franchise from 2006-2010.

8 **KEELEY says her most embarrassing item of clothing is a signed Vanilla Ice t-shirt which she queued up to get signed in the 90s.**

9 SHE is a die-hard Barry Manilow fan and has been to see the crooner in concert three times.

10 **HER favourite sex scene was the infamous lesbian one she shot from *Tipping the Velvet*. She said: "We had good snogs. I love a lesbian drama. Sex with women is different – it's softer, a different smell."**

PERV'S EXCUSE TO SICKENED COPS...

GHOST OF STEVE IRWIN STUCK A STINGRAY UP MY ARSE

NICKED IN HOSPITAL: Brit tourist Quinton Gillespie

KILLED BY ONE: Telly naturalist Steve Irwin

A BRIT is recovering in hospital after he was found with a stingray hanging out of his ARSE!

What's more, the oddball tourist told cops the ghost of Crocodile Hunter Steve Irwin told him to put the ray's whip-like tail into his rear pipe.

Stunned cops raced to the beach in Clearwater, Florida, after receiving reports that Quinton Gillespie had pulled down his shorts and was attempting to put the venomous tail of the cartilaginous fish up his bumhole.

When the 47-year-old refused police orders to take the fish out of his bottom and put his pants back on, while telling them his ghost story, the officers were forced to taser him.

Sadly, the involuntary clenching of his anus broke off the ray's poisonous barbs in Quinton's rectum and he needed emergency medical help.

He was arrested in his hospital bed and will be charged with public indecency, interfering with an endangered species, mischief and indecent exposure.

Anus

A spokesman for Clearwater police said: "Officers responded to reports of a gentleman performing an indecent act with a stingray.

"When they arrived, officers found the suspect with the tail of the ray inserted into his anus.

"When told to cease and desist, the suspect refused to comply and was tased.

"Due to complications, the suspect needed hospital treatment."

Neighbours in Quinton's home town of Biddulph, Staffs, said they were "not surprised" by the development.

One, who asked not to be named for fear of reprisals, said: "If you asked me to name one person who would stick a stingray up his arse, I would name that freak.

"He's always been a not-right."

Telly naturalist Steve Irwin was killed by a stingray in 2006.

The fish stabbed Steve, 44, with its barbed tail and one of the spines punctured his heart.

Hospital cops' cupboard love

RANDY cops Chris Kimble and Tiffany Brister have been placed on "administrative leave" after they were caught having sex in a cupboard at a hospital while on duty.

Brister was on guard duty at the Pointe Coupee General Hospital in New Roads, Louisiana, when Kimble came in while he should have been on patrol.

He promptly took her upstairs and gave her one in the hospital's linen store room.

They were caught on the job by a hospital porter who was collecting new sheets and reported to local Sheriff, Bud Torres.

The sheriff said: "That type of behaviour will not be tolerated."

SUNDAY Sport 4-PAGE SPECIAL

By BARNEY SAMUELS news@sundaysport.co.uk

IN your *Sunday Sport* you can be assured of finding page after page of bra-busting mega-boobed babes with busters you could carry about in a wheelbarrow.

But not everyone is massively into massively-stacked stunnas.

We regularly get letters from avid readers BEGGING for photos of small-boobed beauties.

And so, being in our readers' hands – also thanks to our commitment to diversity – today we're printing FOUR pages of pert, petite ladies who remind us of the saying: "More than a mouthful is a waste!"

And when we contacted *Sunday Sport* reader and regular letter-writer Jeff Poole of Nuneaton, Warks, and told him of our plans for the special feature, he told us: "FANTASTIC!

"Don't get me wrong – I like big boobs, too. But like the advert for the oranges used to say, 'Small ones are more juicy!'

"Thanks *Sunday Sport* – this sounds brilliant!"

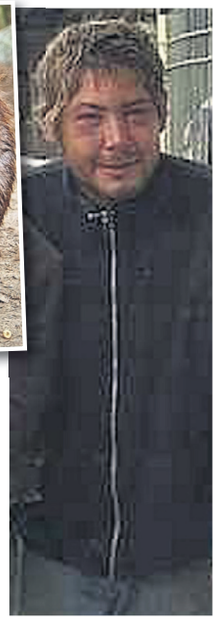
TRAMP HAD SEX WITH RUN-OVER BEAVER



STUFFED BEAVER: Homeless Delp (*far right*) was caught nuts deep in injured beast

By BRAD CHADWICK
news@sundaysport.co.uk

A DISTRAUGHT lady driver who ran over a beaver dashed off to find a box – to take the injured beast to a local vet.

But when she came back to the scene, she found tramp Richard M. Delp lying on the ground – SHAGGING the stricken animal like a man possessed.

Cops were called to the Columbia Park near Kennewick in Washington state, and Delp, 35, was arrested on suspicion of having sexual contact with a wild animal.

Alive

By the time officers arrived the beaver was dead – though it is thought to have been alive while Delp was having sex with it.

Sgt. Aaron Clem of Kennewick Police said: "The beaver was hit by a car sometime Monday night, and a woman who found it went home for a box so she could then transport the injured animal to a vet.

"The woman returned to the Kennewick park to find a man lying next to the beaver.

"She wondered if the man – later identified as the suspect – was comforting the animal.

"But then she realised he was partially clothed and having sexual relations with it."

Delp, who is listed as a transient – a tramp – was booked into the Benton County jail on suspicion of first-degree animal cruelty and possession of crystal meth. He is being held without bail.

Bus-ting for a slash!

WE'VE all been there.

Bursting for a piss while you're waiting for the bus, what do you do?

This young woman waiting for her ride in Sheffield couldn't hold on a second longer.

So she simply pulled down her leggings and let fly a torrent of sparkling ladywine from her heavily-haired vagina.

Thankfully, the moment was caught by an eagle-eyed observer with a mobile phone.

Urinating in public and showing a "yawning horse" mimsy to passing traffic are both criminal offences, but unusually common in the South Yorkshire city.

British Health civil servants must be as thick as mince

HOW do you think Britain is going to solve the childhood obesity problem?

It seems that, even with Brexit looming, namby-pamby European "human rights" legislation means boot camps for tubby little f**kers along with bread-and-water rations are out.

Making these face-stuffing mini-gluttons work off the flab on treadmills is also a no-go, apparently.

So what do you think the Department of Health has come up with?

Forcing restaurants to print the calorie count of meals on their menus.

No, really. I shit you not.

For the love of the living c**t!

What f**king planet do these shit-for-brains live on?

I'll tell you what planet.

Planet F**king London, that's where – a place where common sense is surgically removed at the city limits.

How many times have you sat down at a restaurant and thought: "Hmmm…I wonder how many calories are in this pie"?

Exactly.

Twice the square root of f**king never.

Now some common sense has entered the equation in the form of the Treasury, who have warned that plans to force restaurants

to put calorie counts on menus could push up prices and lead to thousands of job losses.

Chief Secretary to the Treasury, Liz Truss, has said the policy would be a burden on 26,000 small businesses and could lead to severe job cuts.

The Treasury estimates that working out the precise calorie count of individual dishes could cost up to £500 and menus would have to be reprinted when recipes changed, adding further costs.

There's another thing, too.

You don't go to a f**king restaurant to lose weight!

Calorie counting will just be a way for the big chains to cut portions while keeping the price the same.

It's not dining out that makes people fat f**kers – it's the 24 Mars bars they shove in their stupid, drooling faces while watching *The X Factor*.

How could the Department of Health – which had £122billion thrown at it last year – think that this was ever a good idea?

What kind of halfwits are running the show there?

Note to Britain's civil servants: if you can't come up with a sensible suggestion, just keep your f**king traps shut.

Better to be silent and have people think you're useless than open your gob and prove it beyond all doubt.

Arse-lick blackmail cop axed

A COP was sacked after investigators found he asked a woman to rim his BUMHOLE in return for reducing criminal charges against her.

Last week, the Monroe Co Sheriff's Office in Forsyth, Georgia, was tipped off to an August 14 off-duty conversation between William Miller, 38 (*above*), and Ashlie Roberts, who had been arrested for drink-driving by Miller in July.

As Roberts was on probation, she faced going back to jail but Miller said he could "speak to" prosecutors if Roberts used her tongue on his anus.

She refused his sexual proposition.

Miller was initially put on paid leave and removed from active duty while the internal investigation took place.

He is currently being held in the Monroe Co jail.

Sexy Claudia, who boasts natural 32DDs, loves to show off her assets by wearing nothing for her lover.

And the 22-year-old glamour girl admitted she sometimes even likes to show up for dates in the buff!

The trained ballet dancer, from Twickenham, south London, told *Sunday Sport*: "I'm not really one for dressing up when I go on dates.

"I'd have to say I'm much more of a turn-up-at-your-door-naked kind of a girl!"

KIDS' TV STAR FOUND DEAD IN BUNGLE SEX SUIT

TRAGIC LOSS: Kit (*right*) was dressed up as Bungle (*below*)

By BARNEY SAMUELS
news@sundaysport.co.uk

THE world of kids' TV is in mourning after the tragic – and mysterious – death of presenter Kit Forbes.

Kit, 25, famous for playing Mr Trouble in the axed show *My Secret*, was found dead in a hotel room in Halifax, West Yorks, where he was in rehearsals for pantomime.

Sources have revealed that Kit was dressed as kids' TV character Bungle from *Rainbow* when he was found and "drugs paraphernalia" was nearby.

It's been reported that the Bungle suit had a hole cut "in the rear end" and that Kit was stark naked inside the costume, leading to speculation that he was involved in some sort of sex game when he died.

The authorities have not revealed if they are looking for anyone else in connection with Kit's death.

Last night his former *My Secret* co-star Poppy Phelps was too upset to pay tribute to her late friend but a source close to the show told *Sunday Sport*: "To his public, Kit was pure as the driven snow.

"Mr Trouble may have been a bit of a naughty character but Kit was always known as being squeaky clean.

"Clearly not quite as squeaky as we all thought, though.

"Dressing as Bungle and getting bummed while ripped off his tits on GHB, eh?

"Obviously, his death is utterly tragic, though. F**king Bungle! Ha!"

FIRST HANDJOB

CALLIE: I was 16 when I gave my boyfriend a handjob for the first time. I wanted to give him a treat because he'd been really nice to me that day.

We were lying on my bed and I just started stripping him off and then went for it.

I must have got the hang of it pretty quickly because he came in just a few minutes and luckily he had a hankie waiting. I wasn't that fussed about it.

SARAH: I had sex before I gave a handjob. One night my boyfriend had the horn but I wasn't up for sex so I opted to try tugging him instead.

I'd seen girls do it in pornos, so I had a good idea of what to do. I enjoyed seeing how much he was getting out it.

He came in about 10 minutes and said it was the best he'd ever had, I was really pleased with myself.

FIRST BLOWJOB

CALLIE: I haven't given a blowjob yet, I've just never been with a lad for long enough to feel comfortable doing it as it seems like a really personal and intimate thing to do.

There's a lot of stigma attached to doing it, so you only want to do it if you're in a long term relationship.

Of course I'll do it one day, but only when I'm in a very long term relationship.

SARAH: I'd been seeing my boyfriend for months when I was 16 before I agreed to give him a blowjob and it was only because he kept on asking me.

Where I'm from you get dissed for giving blowjobs, so you only do it if you're in a serious relationship.

The first time I did it I just copied what I'd seen in porn films and jumped on top of him before he came and we had sex.

It wasn't that bad really, it was good to try something new.

FIRST SEX

CALLIE: When I was 16 I made my boyfriend wait six months before I lost my virginity to him.

Even then it wasn't planned, he came round my house one night, we started kissing and it just seemed to happen.

I'd be lying if I said it was good. He was a virgin as well and neither of us knew what we were doing.

It was all over in 10 minutes and that was that. I have to admit I was expecting it to be miles better than it actually was.

SARAH: I was also 16 when I first did it. My boyfriend and I planned it for weeks because we knew his parents were going away for the week and we'd have the house to ourselves and wouldn't get caught.

We'd been seeing each other for eight months, so it was definitely the right time to do it.

I was more nervous about being naked to be honest because I'm a bit self-conscious. It didn't hurt as much as I thought it would and it lasted for about 15 minutes. I was quite impressed with it.

FIRST BUM FUN

CALLIE: I don't like the idea of having anal sex and haven't done it, I just don't think it's my thing.

Why use the rear entrance when there's a perfectly good front entrance? I might try it in the future but no time soon.

SARAH: I tried it about two years ago with the lad I'm going out with at the moment. He really wanted to try it, so I said I'd have a go at it with him.

It hurt a bit but wasn't too painful. It felt strange having a willy in there, but the longer it went on the more turned on I got. We've done it a few times since

FIRST HUGE WILLY

CALLIE: I went out with a guy when I was 17 who had the biggest willy I'd ever seen, it was about nine inches long.

The first time I saw it I had a mixture of emotions – fear and excitement. The sex was pretty good and I certainly noticed a difference, but it's not the best I've ever had.

I've had better sex with guys who weren't as big down there. It's more important you have good chemistry with the person than the size of their willy.

SARAH: I had my first big one a few years ago. I'd just split from my boyfriend and got asked out by a guy who's known locally as Donkey Dick.

I started dating him and obviously knew he was going to be well endowed because of his nickname, but I had no idea it would be 10 inches long!

That night was one of the best of my life – you can't go wrong if it's big. He certainly reached parts that others hadn't and I had three orgasms before he came.

I don't think size matters overall though, sex is better if you love the person and there's a spark between you.

> "I went on a date with Donkey Dick – it was the best night of my life!"

FIRST TIME OUTSIDE

CALLIE: I've never done it properly outside, but I did once do it on the back seat of my ex-boyfriend's car when I was 17.

My boyfriend and me were feeling a bit bored so we went for a drive, then we pulled over for a kiss and a cuddle and ended up having sex.

There wasn't much room to move about, so it was really close and intimate and it really got my adrenaline pumping knowing someone might see.

I'd really like to have sex on the top of a tall building – that would be thrilling.

SARAH: My first time outside of the bedroom was when I was 16 and I did it with my boyfriend on the back seat in the cinema.

Our parents had tried to split us up, so we met in secret at the last viewing of *Open Water* and found we had the place to ourselves.

We soon got frisky with each other and started to have sex. It was fun and felt adventurous.

We were just finishing off when the cleaner came in and saw us, but he just ignored us.

FIRST TIME DRESSING UP

CALLIE: The first time I tried anything like that was when I dressed up in sexy lingerie for my ex-boyfriend's 18th birthday.

I had sexy French knickers on, a frilly bra and some stockings as well. My boyfriend couldn't believe his luck and the foreplay lasted ages that night, much longer than normal, and the sex was rough and frantic.

I liked it because my boyfriend was more forceful and demanding because he was so turned on.

SARAH: I dressed up for my first boyfriend when I was 17. We were walking past an Ann Summers store when a French Maid outfit caught my eye. I knew I'd look good in it, so we went and bought it.

When we got home I put it on, then went into his bedroom with a feather duster and pretended I was cleaning.

He came up behind me, grabbed hold of me and we started having sex. I loved the role-play, it was a big turn on.

FIRST SEX TOY

CALLIE: The first sex toy I used was a pair of handcuffs when I was 16. I used them with my boyfriend after we'd been talking about trying to spice up our sex life a bit.

We tried handcuffing each other to the bed, but I preferred it when I was the one who was restrained.

It felt nice handing over complete control to my boyfriend and not being able to move or anything. It definitely made the sex better than normal.

SARAH: I won my first sex toy at an Ann Summers party a couple of years ago – a finger vibrator.

I got my boyfriend to use it on me that night during foreplay and it was so good it nearly gave me an orgasm before we had proper sex.

Sex toys are good but I prefer using them as a couple, they wouldn't do anything for me if I was using them on myself.

LEGENDS OF PORN

PART 20 JAY ROSE

By PENNY MARSHALL
news@sundaysport.co.uk

WELSH beauty Jaye Rose started her career doing topless photo shoots aged just 19.

But she soon decided she needed another challenge.

That challenge was PORN – and the busty beauty took to it like a duck to water!

A duck that likes yard after yard of hard cock, that is!

Her 326DD natural boobs are a particular delight, along with her fair complexion – which would make her the classic English rose, were it not for the fact she's Welsh.

Wizard

Fans love her solo work as Jaye, now 28, is a wizard with a dildo.

The redhead isn't like most stars – she doesn't like regular exercising and admits the only physical activity she gets is from NOOKIE.

Her more notable performances include the movies *Wake Me For Sex*, *Natural Jugs 3*, *Real Housewives 17* and *Solo Sensations 5*.

PORN PEDALLERS HIT AMSTERDAM

PORN STARS: Tindra poses with cycle pals Peter (*left*) and Pascal (*right*)

PORN Pedallers, the adult industry cycling club, took their bikes on a recent jaunt to Amsterdam.

Raising money for several charities, like The Terrence Higgins Trust, the group included some familiar faces from the jizz biz – including busty porn star Tindra Frost, stud muffins Pascal White and Peter Oh Tool and TVX boss Chris Ratcliff.

Sunday Sport caught up with Tindra as she took a quick break from the saddle – and flashing her amazing boobs – to find out all about her recent road trip to the Dutch city of sin.

HOW'S THE TRIP SO FAR?

The route to Amsterdam is really beautiful and the company was perfect. This trip is always one of the highlights of the year for me. It includes all my favourite things – bikes, beer and porn stars!

GET UP TO ANY NAUGHTY THINGS IN AMSTERDAM?

Well, let's just say that what happens in Amsterdam stays in Amsterdam.

WE LOVE THE WAY YOU'VE BEEN FLASHING YOUR WAY ACROSS EUROPE. YOUR BOOBS ARE GREAT – WHAT SIZE ARE THEY?

My rack is a bouncy 32E that rarely likes to keep its bra on! I believe my boobs made the long ferry crossing a lot more enjoyable for many of the passengers.

WHAT ATTRACTED YOU TO THE PORN PEDALLERS GROUP?

I saw the Porn Pedallers posts shared on Twitter and I just had to join the fun.

I already knew some members – like Pascal White and Sapphire Blue – but others I've got to know through the club, like Rebecca More, Peter Oh Tool, the team at Television X and loads more.

By JAYNE FERGUSON
news@sundaysport.co.uk

It's great to be a part of a cycling club of like-minded people.

TELEVISION X ARE SPONSORS OF THE PORN PEDALLERS. TELL US ABOUT THE RECENT MOVIE YOU SHOT FOR THEM.

I shot an episode of their series *Dr. Lacey Sex Therapist* with the amazing Lacey Starr.

In the episode, I come to see Dr. Lacey with a sex-related problem, but she starts to suspect I'm not being entirely honest with her. That's as much as I can say without any spoilers!

The series is incredibly horny and won a well-deserved SHAFTA Award. I was over the moon when I won one for my performance in it.

We've since filmed a follow-up episode for the next series, with porn legend Tina Kay.

WHERE WOULD BE YOUR IDEAL PORN PEDALLERS TRIP BE TO?

Any destination would be great! The Amsterdam and Belgium trips have been fantastic, but I would love for us to do a longer ride.

I wish I could've joined the club's Twin Peaks trip to the Alps – that's still on the bucket list.

WE OFTEN SEE YOU SEDUCING THE GIRLS ON TVX, BUT NEVER A FULL-ON HARDCORE BOY/GIRL SCENE. HAVE YOU BEEN GETTING ANY PRACTICE IN WITH YOUR FELLOW PEDALLERS FOR A STRAIGHT SHOOT?

Although I haven't yet done a boy/girl scene, I do enjoy the cock off camera – and plenty of it!

But I never kiss and tell.

You can follow Porn Pedallers on Twitter *@PornPedallers* and Tindra *@TindraFrost*

If you'd like to see some more of Tindra getting up to filthy frolics, then head to *www.televisionx.com* or call 0871 075 6969 NOW!

SUNDAY Sport SUNDAY STUNNA

By WENDY THOMAS
news@sundaysport.co.uk

TASTY Tara May loves nothing more than feeling the air on her nipples!

The 32DD beauty says sex in a bed is BORING and she loves adventurous outdoor nookie!

And the sexy brunette gets a thrill from knowing she could get caught during alfresco romps.

Kick

The 23-year-old Essex stunna said: "There's something so kinky about doing it outside.

"I've done it in a park, on a beach, in fields, in a swimming pool and in a car.

"The kick is that you're in public and anyone could walk by and catch you at it."

PICK

TODAY

MONDAY

***Strangers* – ITV, 9pm**

NEW series. Professor Jonah Mulray's life is turned upside down when he is informed his wife Megan has been killed in a car crash in Hong Kong.

After travelling to the Chinese territory to identify her body, he discovers that she had been leading a secret life.

Thriller starring John Simm, with Anthony Wong, Emilia Fox and Katie Leung.

Armchair telly critics let rip again

***Gogglebox* – C4, 10pm**

THE fly-on-the-wall series turning the cameras on TV's most vocal armchair critics returns as the show's regular gaggle of families, friends and viewing party acquaintances settle down to share their thoughts on what they have been watching during the week from the comfort of their own sofas.

As usual, the programmes considered can range across any genre – comedy, drama, news and sport – while personalities in the firing line often include politicians such as Theresa May, Boris Johnson, Jeremy Corbyn and President Donald Trump.

OF THE TELLY

By BARNEY SAMUELS

Finding dad and the Holy Grail

Indiana Jones and the Last Crusade – BBC2, 6pm

THE intrepid archaeologist sets out to find his estranged father, who has gone missing while searching for the Holy Grail.

Once reunited, the duo team up to finish the task and locate the sacred relic before the Nazis get their hands on it.

Action adventure sequel directed by Steven Spielberg and starring Harrison Ford, Sean Connery, Alison Doody, River Phoenix, Julian Glover and Denholm Elliott.

Battle of Britain: Model Squadron – C4, 8pm

NEW series. Radio controlled plane enthusiasts from Britain and Germany are brought together by historian James Holland to recreate three pivotal days in the most famous aerial battle of the Second World War, using specially designed model aircraft that can shoot each other down.

The re-enactment picks up from July 4 1940, just a month after the Dunkirk evacuation, when bombing of British shipping began as a prelude to invasion.

Bizarre idea for a show but gripping.

Celebrity Island with Bear Grylls – C4, 9pm

ANOTHER party of celebrities brave a deserted Pacific island.

This year's team consists of Olympic rower James Cracknell, boxer Anthony Ogogo, Hollywood star Eric Roberts, Pete Wicks (*TOWIE*), Montana Brown (*Love Island*), transgender campaigner and journalist Paris Lees, actor Martin Kemp, TV medic Dr Saleyha Ahsan, former model Jo Wood and Roxanne Pallett (*Emmerdale* and a career-ruining *Celeb Big Bro*).

Pete takes charge as they look for a place to camp, but his decision to leave most of their fresh water behind stirs up resentment as the weather worsens.

TUESDAY

Princess Margaret: The Rebel Royal – BBC2, 9pm

DOCUMENTARY profiling the Queen's sister, whose life and loves reflected the social and sexual revolution that transformed Britain during the 20th century.

With archive footage and interviews, the series follows Margaret's life as she redefined the image of the modern princess, and begins with her birth in 1930.

The abdication of her uncle propelled Margaret to second in line to the throne, but her life would be shaped by dramatic social change as Britain entered a more egalitarian era after the Second World War.

Celebs in Solitary: Meltdown – C5, 9.15pm

NEW series. In a world that has never been more connected, how would it feel to spend five days completely alone? That's the challenge facing four famous faces in this documentary experiment, presented by George Lamb over three nights this week.

Confined to a small living quarters, they have food and drink, a bed and a toilet – all that is missing is human contact.

The subjects are musician and documentary maker Professor Green, TV presenter Anthea Turner, strongman Eddie Hall and comedian Shazia Mirza. Will they all manage the full five days or ask to leave early?

My perfect Sunday...

Roxi Keogh, 28, 32F, from Bromley, south London

By PENNY MARSHALL
news@sundaysport.co.uk

DON'T groan guys... but Roxi's fave Sunday involves shopping!

The flame-haired beauty said: "I know fellas hate being dragged around the shops on a Sunday, but it's my favourite way of relaxing.

"I'm really busy all week and what's a girl to do? I've got to spend some of the money I've earned modelling!"

But any bloke who gets to carry Roxi's shopping bags for her is in for a nice surprise.

Skimpy

She said: "Whenever I go on a shopping spree, I visit a sexy undies shop and get something nice to wear for my fella.

"The other week, I got some really skimpy black lace panties and changed into them in the shop.

"They made me feel so sexy that we didn't even manage to get home.

"I pulled them aside in the car and got my fella to f**k me there and then!

"I can't see him complaining about being taken to the shops again!"

THE WORLD FAMOUS AGONY Page

Dear Dani,

I'M a 21-year old graduate and have just started a new job in an office full of fit blokes.

The boss is a woman in her 30s who invited me for a drink during my first week and we got on so well that we went back to her flat.

She began to stroke my leg and I found myself caressing her breasts through her blouse.

It may have been the drink but we both ended up kissing and stripped off before she started licking me out.

It was a night I'll never forget and although it's not been repeated, it is something I'd try again.

Now there are whispers at work and the hunky fellas are backing off. But I'd still like a good shafting. What shall I do?

DG, Middlesbrough

Dani says...
MAKE a move on one of the blokes and it will end the lesbo rumours.

Dear Dani,

I WAS surprised when my wife brought up "dogging" in conversation over dinner recently.

She seemed really turned-on by reports she'd read in the paper about it and confessed she liked the idea of me bonking her in our car while other men watched.

She was feeling so horny after our chat that we drove out to nearby woods. I knew were we could park up, so we got on the back seat and she stripped off, got my cock out and we started shagging.

Within minutes the car was surrounded by six men, all tugging before my wife wound the window down and started sucking one of them off.

When I'd popped my cork I wanted to drive off but she insisted on sucking the rest of the blokes off. Is this normal?

RH, Cumbria

Dani says...
GIVE it one more go. If you still don't like the idea off all those other guys in your wife's mouth talk to her.

AGONY IS BROUGHT TO YOU IN ASSOCIATION

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week Dani Maye has been reading through your letters and emails. Here's her advice for you...

Mate's brother is my red-hot secret lover!

Dear Dani,

I'M A 19-year-old girl and I've fancied my friend's brother for ages.

He's five years older than me so when I was 16 he was a babe magnet of 21.

Anyway, I'd put all thoughts of him to the back of my mind until recently.

I'd arranged to go out with my pal but when I arrived at her house, her brother told me that she'd gone away with her parents for a few days and must have forgotten about our big night out together.

When he saw my look of disappointment, he asked if I'd like to go out with him for a few drinks, and I accepted.

Throbbing

We cruised a few bars and ended up at a club where we danced close enough for me to feel his sturdy manhood throbbing against my tummy.

Later in the cab I put my hand encouragingly on his thigh.

Then I leaned in close and told him that I'd always fancied him and I was pleased when he said he'd felt the same about me.

Once in the house we went in to the lounge and casually flicked on the telly to find a soft porn film on one of the satellite stations.

When he asked me if I'd like to watch it I blurted out: "Why watch it...when we could be doing it?"

This brazen approach did the trick and he pulled me close and kissed me passionately.

I then slid my hand down to his zip and released his huge cock which was already stiff.

I pushed him on to the couch, pulled the rest of his clothes off and set to work taking his length to the back of my throat.

Sucking

I really enjoyed the musky smell of his helmet and balls and I spent ages slurping and sucking on his big, juicy cock.

He seemed to really enjoy what I was doing, and he kept on making long, low moaning noises – especially when I deepthroated his hard dick.

As he was about to climax I got up, ripped my knickers off and thrust down on top of his rock-hard knob – riding him until he finally orgasmed.

I was still feeling really randy and he used his fingers to massage my clit until I screamed in ecstasy again and again.

But the problem now is that I'm a bit worried about my pal's reaction when she finds out I've shagged her brother while she was away.

What shall I do?

KG, Bristol

Dani says...

IT will hardly be a shock after all those years you've spent lusting over him – so get stuck in, girl!

He sounds a dream.

Dani says...

NOT quite as suspenseful as the telly show!

BUM SEX JESSICA'S A GREAT ASS-ET!

BIG-BOOBED Jessica Moore is certainly not shy when it comes to showing off what the Good Lord gave her.

When she turned 18, the Hungarian-born starlet started posing for topless photos.

She told *Sunday Sport*: "It's something I always wanted to do. I'm natural show-off."

Juicy 34E Jess, 31, soon found that was not enough and moved into the exciting world of adult movies.

Her entry on the Boobpedia website says it all: "Jessica Moore is known as an anal queen among many porn fans because of her well received performances in films like *Ass Pounders 6*, *DP Fanatics 3*, *Gaper Maker 7*, and a number of other anally-oriented films.

"She has had anal and/or double penetration sex with guys in most of her scenes."

Watford 'can do a Leicester' says boss

JAVI Gracia has backed his Watford team to "do a Leicester" and win the Premier League.

The Hornets boss believes his players can take inspiration from the amazing season the Foxes had in 2015-16.

They started much like Watford have this season with a run of wins that put them near the top of the table.

While everyone waited for Claudio Ranieri's men to run out of steam, they just carried on winning while their rivals wilted around them.

In the end they won the most unlikely title in Premier League history thanks to the scoring exploits of the likes of Jamie Vardy and Riyad Mahrez.

Watford have won their opening four games, including when coming from behind against Tottenham before the international break.

The bookies have slashed the Hornets' odds — but there is still 250-1 available.

Mind you, they were 1,000-1 when the season kicked off and some bookies are only 100-1 now.

Scared

Gracia was named as Premier League manager of the month for August.

Now he wants to see those odds keep getting smaller and smaller as his team continue to win.

He said: "We have started so well in the Premier League that we can be considered the new Leicester.

"I am not scared of the comparison between Leicester and Watford.

"I am always going to live with the same naturalness after winning four games in a row and after losing four.

"It is possible to lead the table after four games, although it will be a lot more different after 25.

"Even if we played in Spain, it would be difficult to stay up there.

"We have to enjoy and savour this moment because we have worked for it and earned it.

"I am very excited with the atmosphere we have now within the club, the team and the supporters. It is great.

"Watford is a team that has finally secured and cemented a place in the Premier League.

"Before it was going up and down the whole time: now it is here to stay in this division."

I'LL BE FAB WHEN I START

Brazil ace ready for Kop debut

FABINHO says he's fit and ready to make his competitive debut for Liverpool.

The Brazil midfielder has been left on the sidelines since his £43m summer move from Monaco. He made the squad for the match against West Ham on opening day. Boss Jurgen Klopp has had him working on his fitness since then while the Reds have won all four of their Premier League matches.

BY ANDY MILLOM

It's more of a surprise because Fabinho was a regular in pre-season and looked as though he would be slotted into the heart of Liverpool's midfield.

The Brazilian has been talking about his early days at Anfield while away on international duty.

He says it took a little time to get used to his new surroundings but now he's fit and raring to get started.

Fabinho confirmed: "My start has been good, good adaptation. The pre-season was very good, we had nine friendlies and I played nine.

"It was good to play against English teams to see what the rhythm, the intensity and the physique is like.

"I am adapting to the team's style of play. The more experienced players have helped me, the technical team as well.

"Me and my wife are liking the city, we already have a home." And Fabinho admits that it's handy having some fellow Brazilians at the club to help him settle in.

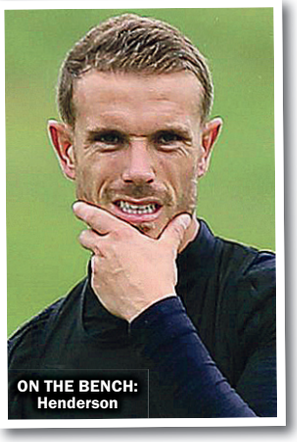
He added: "Roberto Firmino is being a great guy, his family has given a good support to me and Alisson. Having Brazilians in the team helps.

"Now I'm ready for my debut. I'm fine, training well and prepared to play."

Fabinho has more competition than the other new boys with Jordan Henderson also having little action in the middle of the park as Klopp has preferred James Milner and Gini Wijnaldum.

The German will now look to bring back more players who had a busy summer at the World Cup.

Of the new recruits to Anfield this summer, only Alisson has played all four games.



ON THE BENCH: Henderson

Rumours

Naby Keita has made a good start but he was left on the bench for the 2-1 win at Leicester before the international break.

Xherdan Shaqiri has come off the bench twice as he tries to break into the front three of Firmino, Sadio Mane and Mo Salah.

The Reds have been strongly linked with a move for Paris St Germain attacking midfielder Adrien Rabiot.

The 23-year-old could be available for a song in January because his contract runs out at the French champions next summer.

But club sources say there's nothing to the rumours and point to the number of midfielders already at the club.

That could chance of course should Rabiot figure and play well against Klopp's men when PSG take them on in the Champions League group stage later this month.

WAITING GAME: Fabinho is still to play in a competitive game for the Reds

PSG READY FOR SANE BID

LEROY Sane is a target for some of Europe's top clubs after appearing to fall out of favour at Man City.

The Germany winger has hardly figured for Pep Guardiola's men this season as talk of trouble behind the scenes gets ever louder.

The 22-year-old was named as young player of the year last season.

But things haven't gone well this summer with him being dropped from the Germany World Cup squad amid rumours about his attitude. The issue at City came to a head in the game against Newcastle before the international break when Sane didn't even make Guardiola's squad.

By MARK NAYLOR

He was forced to pull out of the Germany squad to take on France in the UEFA Nations League.

That also sent the rumour mill into overdrive but it appears that his partner is about to give birth and that was the reason for him leaving. Germany team-mate Toni Kroos had already told Sane to improve his attitude.

He said: "He has to improve his body language.

"He's a player who has everything you need to be a world-class player but sometimes you have to tell him he has to perform better.

"What is crystal clear is his quality, his pace, his left foot. He was fantastic for City last year but Pep has the same problem at the moment — he's trying to get the best out of him.

"If he performs, he's a real weapon. He has the quality, especially for us, but maybe the head coach looked at his performances for the national team and wasn't happy."

Arsenal would love to buy Sane but know there's no chance.

Paris St Germain are more serious suitors and could test City's resolve with a £100m bid in January.

Pogba WON'T leave on the cheap

WARRING UNITED BOSSES AGREE OVER FRENCHMAN

POLES APART: Mourinho and Pogba

JOSE Mourinho and Ed Woodward have one thing they agree on — Paul Pogba won't be leaving Man United for anything but a massive fee.

By JOHN ANTHONY

The French midfielder has been making more and more noises about leaving the club.

Rumours are rife that he has fallen out with Mourinho in a rift that dates back to him being dropped for a European tie last season.

It was notable how much better Pogba played for France as they won the World Cup this summer.

He put in the kind of displays that made United fork out £89m to Juventus for his services just over a year ago.

But as soon as he pulled on a United shirt, he went back to being the inconsistent player he was before.

The type of midfielder that could easily be dropped whatever his reputation.

Pogba's agent Mino Raiola has reportedly been trying to sort out a move away from Old Trafford.

A transfer to Barcelona was vetoed by the United board this summer and it sounds as though the Frenchman's camp are not happy about that. Pogba made comments while on France duty that reheated his row with Mourinho.

He said: "My future is currently in Manchester.

"I still have a contract. I'm playing there at the moment, but who knows what will happen in the next few months?"

But despite that, the United board has made it clear that Pogba is NOT for sale at any price.

Mourinho and chief executive Woodward both agree that they will not be railroaded into letting their playmaker leave — unless they want him to.

Pogba has been making excuses about why his form has been below-par in the opening weeks of the season.

He claims that he hasn't had enough time to recover from his heroics at the World Cup finals.

Pogba said: "I'm trying to work on myself physically. I got back late, so I'm trying to perform as well as possible."

Former England boss and big pal of United legend Sir Alex Ferguson thinks Woodward should put his foot down.

He said: "The club need to say, 'The manager is going to be here, you're going to be there, you've got a contract – shut up and get on with it'.

"You need a strong ownership, not a strong manager, to put things right.

"Otherwise they will crack and let the player get his way and go."

GO DUTCH WITH TWO GOAL START

The UEFA Nations League is well under way but there are some intriguing ties today. Although many countries will still view these fixtures as glorified friendlies, with promotion and relegation at stake, along with the title of outright winner for those in Group A, this has revamped theinternational scene.

Today's highlight looks to be in Paris where world champions France host the Netherlands. The Dutch need to re-establish themselves after missing out on Russia but have been thrown in at the deep end facing France and Germany in Group 1. The French picked up a useful point from a goalless draw In Germany on Thursday and have shortened to 4/7 from 5/4 to win Group 1. The Germans ease to 15/8 while the Dutch are 7/1. Only the winner qualifies for the semi final with France now 9/2 from 5/1 to lift the title.

Holland came from a goal down at the break to defeat Peru 2-1 on the same evening with a brace from former Manchester United man Memphis Depay rescuing them. Despite the squad still not having as much quality as the leading contenders at present it still has a useful look and any defence with Virgil Van Dijk in it has to feel confident of not conceding. The Orange army travel as big underdogs at 11/2 but if they keep things tight backing them with a two goal start at 4/7 should land and Under 2.5 goals at 11/10 makes plenty of appeal too.

Freedom

Wales were impressive 4-1 winners over Ireland on Thursday and will go to Denmark for their opening clash in positive mood. The Danes were beaten 3-0 in Slovakia when fielding a reserve side on Wednesday but are expected to have the big guns back.

However after all the unrest in the home camp and Wales playing with a freedom under new manager Ryan Giggs they can avoid defeat and taking them with a goal start on the handicap at 3/4 looks a safe option.

Domestically, while the Premier League and Championship take a break the remaining leagues continue in England and Oxford and Coventry do battle in League One live on Sky sports at midday.

Both clubs are struggling and face a season trying to preserve their status if early results are an indicator.

United did at least gain some confidence with a 3-0 midweek win over Fulham U21 in the Checkatrade Trophy and they will hope to build on that today. Despite only one league success they picked up a useful point at title favourites Sunderland and prior to that a 3-0 away League cup win at Newport had followed a 3-1 home success over Burton so the corner does appear to have finally turned.

City sit just a point above the O's after gaining promotion via the playoffs. They were actually beaten 2-0 earlier in their campaign in the league cup at the Kassam Stadium and have only a solitary victory over bottom side Plymouth to celebrate so far this time.

Oxford look to be in a false position and with a strong looking squad and plenty of firepower expect them to land odds of 29/20 in victory this afternoon.

Exit rumours hurting United says Berba

ALL TALK: Paul Pogba

PAUL POGBA talking up leaving Manchester United could derail the Reds' season.

That's the verdict of former Old Trafford striker Dimitar Berbatov who is bored to the back teeth of all the speculation.

Pogba has again been dropping heavy hints that he's not happy playing for Jose Mourinho and will leave the club in January.

By JOHN ANTHONY

He made comments while away on duty with France that have poured fuel on the fire.

Now the player himself is saying that he's not the one behind the exit talk.

Pogba added: "I'm trying to work on myself physically.

"I got back late from the World Cup, so I'm trying to perform as well as possible. I'm just trying to do my job and for the rest there'll always be talk."

Berbatov is far from impressed with that.

He said: "It's all just speculation and it's not helping.

"The focus needs to change to football there.

"At a big club there are always going to be issues and you will always have players with big egos who want to win and sometimes this can create friction between the players or with the manager but it's normal in football clubs especially a big successful club.

"If there is something going on then the people involved should know how to deal with it and that's the end of it.

"The focus should be on the field."
